

BAADER 240 | Salmon Skinner | SINGLE LANE | left or right

BAADER 240 is designed for skinning fresh or smoked salmon and is suitable for single lane feeding.

deep skinning

shallow skinning

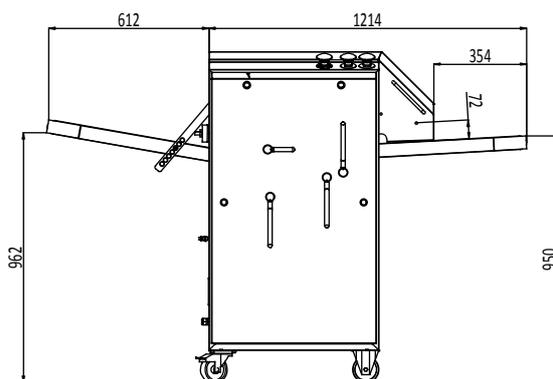

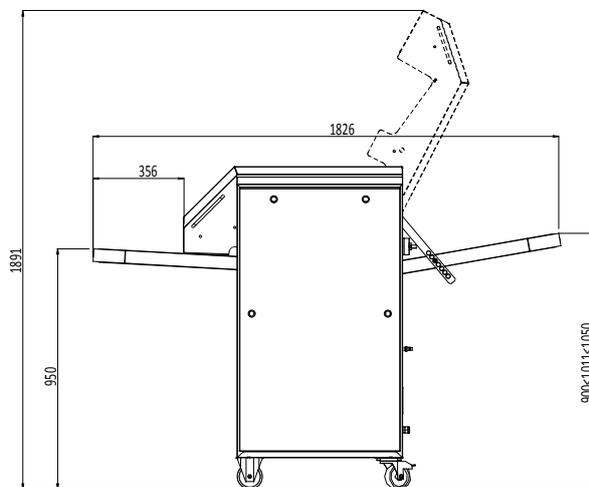

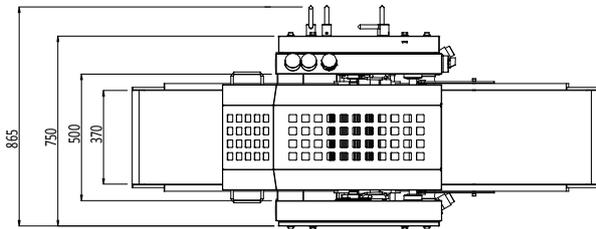

maximum shallow skinning

Customer Benefits:

- usable for fresh or smoked Salmon
- no remaining skin at the tail end due to a specially designed „EASY-GRIP“ device
- perfect skinning results due to self adjusting blade holders
- 2 methods of skinning possible:
 - deep skinning
 - shallow skinning / maximum shallow skinning
- very comfortable use: only one handle for quick and easy change-over from one skinning method to the other
- easy to adjust - also during operation
- easy to dismantle for cleaning - without tools
- Option: fillet with skin
 - a transfer plate allows the fillets to pass through without being skinned
- transfer plate is simple to mount without tools
- Option for smoked fillets:
 - automatic re-merging of skin and fillet

BAADER 240 | Salmon Skinner | SINGLE LANE | left or right
